

## The Most Holy Body and Blood of Christ 6<sup>th</sup> June 2021

Communion with Christ in the Eucharist presupposes his true presence, effectually signified by the bread and wine which, in this mystery, become his body and blood. The real presence of his body and blood can, however, only be understood within the context of the redemptive activity whereby he gives himself, and in himself reconciliation, peace and life, to his own. On the one hand, the Eucharistic gift springs out of the paschal mystery of Christ's death and resurrection, in which God's saving purpose has already been definitively realized. On the other hand, its purpose is to transmit the life of the crucified and risen Christ to his body, the Church, so that its members may be more fully united with Christ and with one another.

### ADORATION

Jesus will bless you, your family, and the whole world for this hour of faith you spend with Him in the Blessed Sacrament. "Blessed are they who do not see and yet believe..." "Faith can move mountains..." "What is needed is trust..." "Behold I come to make all things new." (Jn 20:29; Mk 11:23; Mk 5:36; Rev 21:5)

Pope Francis

"We cannot do without the Eucharist, for it is God's memorial. And it heals our wounded memory."
