"The foreign debt of poor countries has become a way of controlling them, yet this is not the case where ecological debt is concerned. In different ways, developing countries, where the most important reserves of the biosphere are found, continue to fuel the development of richer countries at the cost of their own present and future."

The land of the southern poor is rich and mostly unpolluted, yet access to ownership of goods and resources for meeting vital needs is inhibited by a system of commercial relations and ownership which is structurally perverse.

The developed countries ought to help pay this debt by significantly limiting their consumption of non-renewable energy and by assisting poorer countries to support policies and programmes of sustainable development."

The Encyclical Letter 'Laudato Si' of the Holy Father Pope Francis on Care for our Common Home is now available on the parish website.

St. Vincent de Paul

Thank you to all who contributed towards the Church Gate Collection last weekend in aid of St. Vincent de Paul. **The total amount raised was €787.64.**

Thank you

Rosminian Missions would like to thank you for your very warm welcome and your generosity during their recent visits to our parish. The total amount donated by the two Churches was **€2823.00.**

Are you Travelling Abroad?

You are welcome to call to the office to get the Mass leaflets for the weekends you are away. Those attending a Mass in a foreign language find this helpful. We usually have a supply of leaflets ahead of time. There is also a great iPhone or smart phone app called "iMissal" which is excellent for the readings. It does not use data when you're travelling. Try it out. It has all the weekday readings too, so it can be used even if you are not travelling.
